

Introduction

Firstly, I'd like to thank you purchasing my CV / Resume template. Below is some basic documentation on what you may need to know regarding this template. If you are still stuck on anything, please feel free to drop me an email at work@renote.co.uk.

1. Item Description

A clean, bright and simple CV template perfect for showcasing your experience and skill sets. Stand out from the crowd with the additional splash of colour and playfulness within this template.

All layers are organised by name and number, as well as colour-coded to help make the editing process that much more easier.

This template is A4 sized (210 x 297 millimetres) with bleed and margin lines included.

2. Item Features

- A4 International size (210 x 297 millimetres)
- 3 millimetre bleed added to all sizes
- Compatible with Adobe Photoshop CS3 upwards
- Free font used (Nunito and Raleway)
- Layers organised by name, number and colour-coded
- Print ready

3. Fonts Used

The following free fonts have been used and should be downloaded via the supplied link before opening the template file:

- Nunito
<https://www.fontsquirrel.com/fonts/nunito>
- Raleway
<https://www.fontsquirrel.com/fonts/raleway>

Thank you again for your purchase. Please don't forget to rate 5 stars and leave a review when you can. It really helps me out!
